Emergencies and Helplines

Poisons
Information
Line 13 11 26

If you suspect that someone has taken an **overdose** or has been poisoned, do not try to treat them yourself. Get medical help immediately. If the person is showing signs of being seriously ill, such as vomiting, loss of consciousness, drowsiness or seizures (fits), call triple zero (000) for an ambulance, or take the person to the closest emergency department.

Website: healthdirect.gov.au/poisoning

Health Direct
1800 022 222

Free, 24-hour **Health Advice** from registered nurses in Australia.
